Course Title	SPORTS LAW				
Faculty	Union University Law School Belgrade				
Study Programme	L.L.B				
Professor	Sonja Bunčić		Contact (e-mail address)	sonja.buncic@pravnifakultet.rs	
Code	SPORT	Course level	L.L.B	ECTS credits	4
Description (max. 100 words)	<p>The subject deals with legal regulations in the field of sports. Sports law contains elements of different traditional legal branches. Organizations of sports associations are studying, which bring sports law closer to the rights of societies. There is a particularly important legal arrangement of associations and sports stock companies. The individual rights and obligations of athletes are regulated by sports contract law and sporting compensation law. The international and European aspect is very accentuated as national associations regularly associate at supranational levels. Both violence and indecent behaviour at sports events as well as the elementary issues of doping in sports are being studied.</p>				
Learning outcomes (max. 50 words)	<p>Students will be able to interpret domestic sports legislation and domestic and foreign autonomous sources of sports law. Students will be able to choose relevant legal rules and institutes. Enable yourself for independent application regulations in this field. Improve the independent research of the source to find the most suitable solution in a specific situation.</p>
